

## INTRODUCING UNITED WAY PENNIES FOR CHANGE

The idea is simple. The program allows you to donate 1 penny every time every time you use your Westchester Federal Credit Union's credit card. Every month, Westchester Federal Credit Union will tally the number of times you used your card and a penny for each transaction will be deducted from your account. You will see a line item on your monthly statement called Monthly Participation Fee. Your money is combined with the contributions of other program participants and put to good use right where you live.

## ABOUT UNITED WAY

United Way is improving lives and building stronger communities by focusing on education, health and financial stability. Visit [unitedway.org/pennies](http://unitedway.org/pennies) to learn more.
